**The meeting was held under the leadership
of Mr. Arkady Dvorkovich, FIDE President.**

All participants took part in the discussion, regarding many problems concerned the current work of the Technical Commission.

The TEC is grateful for the many suggestions and comments made by the meeting participants. This will help us in our further work

The meeting and discussion concerned the problems and matters introduced in the Agenda of TEC meeting. Namely:

1. FIDE agree, that TEC will create the guide for organisers of different level tournaments using the Chapter of the Technical Matters. However TEC has to contact a few FIDE Commissions regarding some matters which are also discussed in other Commissions.
2. TEC will prepare required content of regulations for different level tournament and proposed the tie-break system. It will be discussed with the Arbiter and Events Commissions.
3. TEC will prepare the general directions and consequences for organisers, arbiters and players in the case when happened interruption of tournament because of force majeure or any other reasons.
4. TEC will prepare the dress code for team and individual world and Continental competitions (including youth competitions) taking into con-

sideration national dresses and flags. The problem will be consulted with other Commissions.

5. TEC will prepare procedure of testing the electronic scoresheets and electronic boards and will consult the matter with Fair Play Commission. It should be done until October 2020.
6. TEC will discuss the problem of cheating in the online tournaments and made the proposals.
7. TEC will prepare the definition of different tie-break system and propose the system for rated tournaments.
8. TEC will start to arrange the FIDE Application for mobile phones.
9. All mentioned problems will be send to all members of TEC. They would be kindly invited to take part in the work of the our Commission.
