Online - December 8-9, 2021

Present: TEC Chairman IA Bharat Singh Chauchan and Secretary IA & IM Andrzej Filipowicz

Day first -13 TEC members and 6 members of other Commissions

Day second – 9 TEC members and 6 members of other Commissions

Agenda for the FIDE Technical Commission TEC Meeting, Online. December 8-9, 2021 at 15:00 o'clock CET

1. Opening by Chairman
2. The new the Chapter of the Technical Matters in the FIDE Handbook will be introduced after many improvements made during the last year. The main idea to prepare the mentioned Chapter like a guide (Manuel) for organisers of tournament different levels
3. All participants are kindly requested to express the opinion regarding the mentioned matters as well as to propose corrections.
4. The final version of the mentioned Chapter after proposed corrections and new remarks will be accepted.

Report

1. The idea of our Commission was to create the Chapter of the Technical Matters as the manual (guide) for organisers of different level tournaments was accepted by participants of the meeting.
2. All organisers will find in our Chapter the proper equipment, chess game notation (paper and electronic score sheets), chess tables, tournament halls with requirements on treatment of disabled chess players and school tournaments, prepared regulation of Round- Robin and Swiss tournaments, rate of play in the different competitions, broadcasting, dress code, tie-break regulations as well as the Berger and Varma tables (restricted drawing of lots) and many details.
3. Many TEC members have drawn the attention to a few parts in the Chapter and proposed corrections and additional information. Most of the proposed changes were accepted.
4. The TEC is very thankful to GM Victor Bologan and IA Sava Stoisavljevic for many very important remarks and corrections concerning the Electronic score sheet. All of them were added to the final text.
4. Remarks regarding the ordinary notation of the game and rate of play proposed by WGM Zhaoqin Peng and WGM Agnieszka Brustman were also added.
5. Corrections and improvements in many other parts will be continued in the further edition of the Chapter
6. The TEC will continue the further work concerning online tournaments (organisation, requirements, problem of cheating).
